

OER Questionnaire Overview

Please review these questions you will need to answer on the questionnaire so you are prepared when starting the DocuSign PowerForm. Questions marked with an asterisk (*) are optional.

Typing your answers ahead of time and then copying/pasting them into the form is recommended.

- Course Number/Name and Course Credit Hours
- What is the primary priority addressed by this OER? *(single-answer, multiple-choice)*
- What is the secondary priority addressed by this OER? * *(single-answer, multiple-choice)*
- OER Project Type *(single-answer, multiple-choice)*
- Number of sections of this course taught each semester
- Number of students enrolled on average each semester
- Number of sections of this course offered in high schools to College Credit Plus students
- Additional Faculty Author Applicant Name and Email Address *
- What role, if any, have you had in previous OER efforts?
- Have you attended OER workshops and/or the fair use workshop offered by the library?
- Describe the work and number of hours each semester you will need to complete the OER.
- What is the current list of required commercial content for this course (titles and costs)?
- Do you intend to replace all commercial content that students are required to purchase for the course or only a portion?
- Provide the name of your Faculty Editor
- Describe the essential components (OER resources, library database materials including OER librarian assistance, DEIS-assisted content). Do you already have an open textbook or other open content in mind? Do you intend to create original content, and if so, what will you create?
- Describe the expected student experience while taking the course, including format of OER materials and how students will access materials.
- Describe the desired outcomes for your project and discuss how you will measure the achievement of those outcomes.
- Estimate the number of semesters the conversion to OER will take to reach completion
- When do you anticipate starting to use OER as course materials?
- Any additional information not already covered
- Indicate anticipated DEIS primary support need. *(single-answer, multiple-choice)*
- Indicate anticipated DEIS secondary support need. * *(single-answer, multiple-choice)*
- Indicate anticipated DEIS tertiary support need. * *(single-answer, multiple-choice)*
